

# Birdy-Lingo

Ashley DiLorenzo & Mateo Lizcano

STEVE: (Spoken) So, Humphrey, what do you like: video games? I love video games! With all the violence and—

HUMPHREY: (Spoken) I use Birdy-Lingo.

STEVE: (Spoken) Like, that language app? Um, why?

HUMPHREY

In the fifth grade this kid named Ethan  
Asked why I was dumb  
It was weird coming from a kid  
Who still sucked on his thumb

But that day I vowed that I'd be smarter  
The Einstein of my elementary  
So I took a really big step  
And downloaded an app that was free

Birdy-Lingo  
Birdy-Lingo  
When the kids were mean  
The owl would always be there  
He sends me emails when he misses me  
That shows that Birdy-Lingo really cares  
Birdy-Lingo

STEVE: (Spoken) Wow. You're like-really dedicated.

HUMPHREY: (Spoken) I know.

The little owl greeted me with a smile  
I never had friends who would do that before  
I knew it would take me a while  
To get a high score  
But now ¡hablo español!  
And je parles français  
And io parlo italiano  
And guess what? I'm also Level 1 in German

Birdy-Lingo  
Birdy-Lingo  
When the kids run away, the owl stays  
He is there when I feel blue  
Birdy-Lingo is the only app I use  
Birdy-Lingo

I don't have a passport  
And my mom doesn't like to fly  
But I've heard of one part of Canada  
Where they speak French and they eat French fries

And when I'm older  
I will go there  
And bag a stunning French-Canadian wife  
So when I finally get across the border  
I'll be living my best life – woop woop!

That owl is my wingman, he is my key  
Once I have cool friends from French-Canada, Mexico or Italy  
Or a ton of other Spanish-speaking countries  
Then they will see  
Birdy-Lingo's all I need

STEVE: (Spoken) Can I see it?

HUMPHREY: (Spoken) No one's ever asked me that before... sure! My phone... it- it's- dead?!  
Nooooo!

Birdy-Lingo, my one and only  
Birdy-Lingo  
I need to go back  
I'll make sure our streak doesn't end  
I need to stay on track  
Birdy, you're my only friend

STEVE: (Spoken) Hey, I can be your friend.

HUMPHREY: (Spoken) Shut up!

I want to sing this in Spanish again  
But I can't waste my precious time  
Not to mention some of the phrases  
Would no longer rhyme  
Birdy-Lingo

STEVE:  
Birdy-Lingo

HUMPHREY:  
Birdy-Lingo  
I gotta get out of here so I can charge my teléfono
